

## How to Create Flyers for Your Group

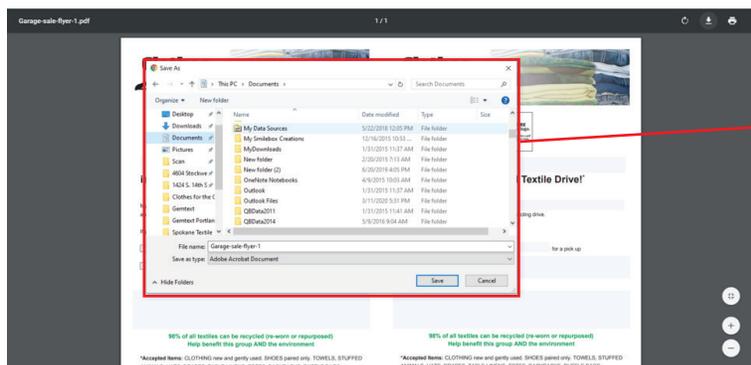

1. Go to our website & select the "Marketing Materials" tab  
<https://clothesforthecausefundraising.com/fundraising-media/>

2. Open the flyer with the correct program on your computer (typically Adobe Acrobat Reader)  
*Make sure you have most recent version, if your computer prompts you to upgrade this might optimize your experience.*
3. If accessing this from your phone, please email the flyer you want to yourself, these are not mobile friendly.

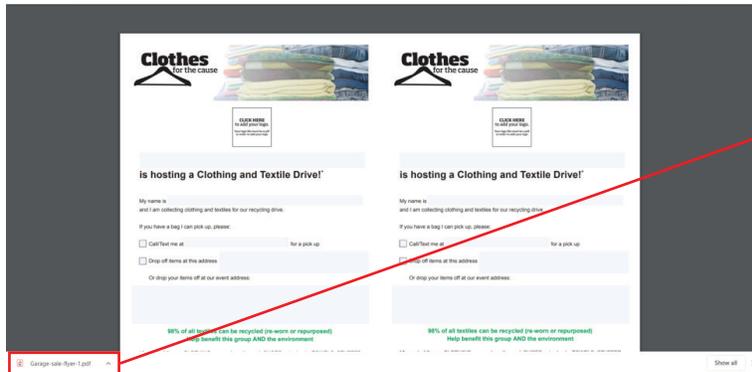

4. Download the flyer to your computer by clicking the down arrow at the upper right of the screen – if you don't see the down arrow, hover your mouse in the upper right portion and it will appear.

5. After you download, you will be prompted to "save" the document to your computer.

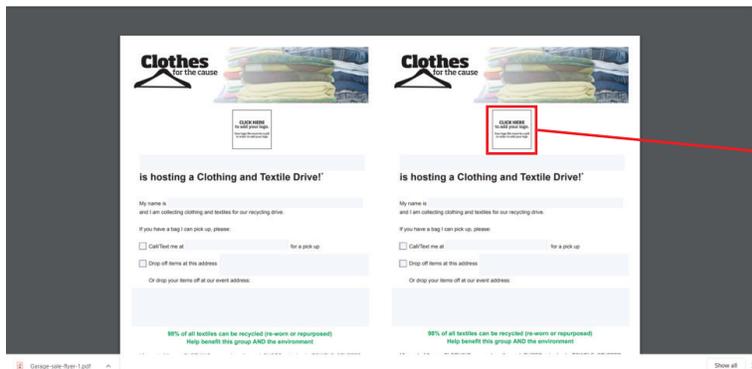

## How to Create Flyers for Your Group

6. At the bottom left of your screen you will see the pdf image, click on that to open the image.

7. Fill in the text boxes with the appropriate information

8. Make sure that you have your group logo saved on your computer as a pdf, then click on the photo box and select that image.

9. Once you have filled in the entire flyer, save it on your computer. Make sure that you give it a different name than the default flyer name. By clicking on the same downward arrow on the upper right corner of the screen, that you used to download the default flyer in the beginning.

It will be saved to your desktop and is now ready to go! Repeat with as many flyers as you wish...

If you want to make multiple version of each flyer (i.e. you want one to give to the public and another version to your group...just save them with different names)
